May 22 - August 25, 2023 (Intern)

JNRM corp. l B5 L3 Grand Industrial Estate, Parulan 3004 Plaridel Bulacan

Frontend Developer

During my internship, I collaborated closely with fellow developers to craft visually appealing and user-friendly front-end components. This collaboration was pivotal in crafting an extensive web-based Point of Sale and inventory management system tailored to the specific needs of Royal Charm.

Throughout the internship, my primary focus was on translating design concepts into fully functional React.js modules for the web-based Point of Sale interface. This implementation significantly enhanced Royal Charm's ability to streamline inventory management and sales operations.

Role and Responsibilities: Collaborated with the back-end team to integrate front-end components with server-side APIs, Implemented responsive layouts and user-friendly interfaces
